

Lakeside Memorials finds new home at Mark Thomas

Lakeside Memorials has been publishing memorial folders, acknowledgments, bulletins and register books for nearly 30 years, and has loyal customers among funeral directors across the United States. Original commissioned artworks have long been the centerpiece of the **Lakeside** line.

Mark Thomas Co. is pleased to be able to offer these products to funeral directors who now use Mark Thomas and Caring Times products, and we look forward to serving Lakeside customers as well.

Lakeside customers will see some changes as a result of this. We think you'll be pleased.

•**Lower prices:** All Lakeside products will be priced the same as comparable Mark Thomas and Caring Times products, and most will be significantly less expensive than

Eagle—11-502

they were previously. There are no additional charges for scoring or micro-perfing. Plus all Lakeside, Mark Thomas and Caring Times products may be combined for quantity pricing.

•**Printed with ink:** All Lakeside memorial folders, acknowledgments and service bulletins will be printed on our full-color press, using ink rather than digital toners.

•**Higher quality paper:** Lakeside memorial folders, acknowledgments and service bulletins will be printed on a brighter, whiter paper, the same as is now used for Mark Thomas and Caring Times products. This paper is also slightly heavier than Lakeside Memorials was using.

From stock: We won't be there immediately, but the most popular Lakeside items will be carried in stock, for faster service.

Less popular items will be printed on request, but will still ship quickly.

New item numbers: Item numbers of Lakeside products will change, but we'll keep you informed about that. Plus we'll have a conversion chart for changing the old numbers to the new ones.

New phone: Call us toll-free at 1-800-437-2635, fax us toll-free (yes, we still have a fax!) at 877-794-5102 or email sales[at]markthomasco [dot]com.

\$6 Ground shipping to your funeral home: The cost of ground shipping by UPS or Spee-Dee Delivery will be \$6 per order (not per item.)

This transition is quite exciting for us, as we have been familiar with the Lakeside (and previously, Heritage) line since it started in 1992.
